

# FEBRUARY INFANT NEWSLETTER

## ART PROJECTS

The children will be working on some wonderful and creative Valentine's Day projects, as well as winter themed art activities. All of our art projects are designed to help with the development of fine motor skills. We also try to expose the children to a variety of textures and materials when creating art projects.

## REMINDERS

We always enjoy taking the children outside for walks when the weather permits so please continue to make sure that your child has a hat and gloves so that we may take advantage of this wonderful winter weather as much as possible.

We will be closed on Monday February 20th for President's Day.

Please take a moment to check that all food, clothes, and any other items from home coming into the center are labeled.

As always if you have any questions and/or concerns please feel free to speak with anyone of us.

Thanks,

Tracey, Judith, and Tiffany
