Feb.20~24...Dinosaurs

Feb.27~Mar.2...Colors & Shapes

*~The Center will be Closed
Monday, Feb. 20th
for President's Day*

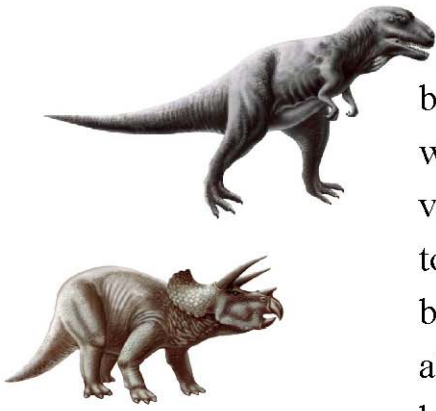

Are You Ready For Some Football?!... We definitely are! That is why we are spending our first week of February getting ready for the superbowl! We will be creating all kinds of football themed artwork, such as, jerseys, goal posts, group painted football field, and so much more. We will have a tailgating picnic in the classroom and practice our passing, rushing, punting and field goal techniques. This week should be nothing short of a TOUCHDOWN!!

The next two weeks of February are dedicated to Love & Friendship. At circle and story we will*talk about the qualities we value in a person's character, such as, honesty, courage, courtesy, kindness and fairness. We will be doing alot of cooperative art as well as creating some wonderful art to send in a military care package.

More information regarding Valentine distribution will be in cubbies soon.

The third week of February we will be discussing Dinosaurs. We will be *sorting, categorizing and classifying objects by one or more attributes as we sort and talk about different kinds of dinosaurs. We will be expanding our vocabulary as we learn about herbivores, carnivores and omnivores. We hope to create a paper mache volcano that will really erupt, letting the children get a better understanding about what may have happened to the dinosaurs. We will also be excavating dinosaur fossils from blocks of ice and our art projects will be Dinorrific!

The last week of February we will talk all about colors and shapes. We will *explore how color can convey mood & emotion. We are also going to *use basic shapes and forms of different sizes to create artwork, such as shape people and shape collages. We will paint at the easel with our favorite colors and mix colors by balloon painting.

WISH List
