

Infant's March Newsletter

March has arrived rather quickly and the children have been busy, busy, and busy!!! Last month our friend Teddy moved into the Cricket Room! We wish Teddy and his family well on their fun new adventures in the Cricket Room! This month we will be celebrating some first birthdays! Happy Birthday to Andrew on the 4th and Happy Birthday to Jonah on the 24th!!!! Happy 1st Birthday boys!!!!

During the month of March, we have lots of fun activities planned for the children. They will be creating shamrocks, individual pots of gold, among other art activities. They children will be exposed to many varieties of activities, everything from painting, gluing, to water play and large motor play outdoors. All of these activities are designed to challenge the children's fine and large motor muscles as well as encourage the children's self-expression.

The weather has become slightly more cooperative and we have taken advantage by getting outdoors for walks. Please be sure that your child has an appropriate coat, hat, mittens, socks, and shoes every day. Please also check your child's bins to be sure that they have at least two seasonally appropriate changes of clothes. The weather is very unpredictable so please be sure to be prepared. As always we thank you for your continued cooperation and if you have any questions and/or concerns please feel free to speak with anyone of us!!

Tiffany, Judith, and Tracey
