

Infant's September 2010 Newsletter

Fall is fast approaching and there are many changes taking place inside the Infant Classroom. Our friends John and Camden will be moving into the Toddler (Cricket) classroom this month. We wish them both the best of luck in their new adventures!!! Also this month, we will be welcoming new classmates, Sarah and Sean, into our room. Please join us in helping their transition to our classroom be a smooth and pleasant experience!

The children will be hard at work this month creating some fabulous art work in order to decorate our classroom. They will be creating personal stop signs, pedestrian crossing signs, traffic lights and school buses. All of these activities are designed to promote the children's fine motor skills as well as perfect their hand-eye coordination. As for their gross motor muscles, we have been utilizing the Rumpus Room every chance we get in order to play with the push toys to help increase balance and large motor ability.

Just a few reminders, please be aware that the Center will be closed on Thursday September 2, Friday September 3, for cleaning days. We will be closed on Monday September 6 in observance of Labor Day. Also, we would like to remind everyone to please bring in a sun hat, shoes and a light jacket or sweatshirt for your child each day now that the fall weather will be arriving. We would also like to remind parents to please bring in some family photos if you haven't already done so. We will be finishing up our family collages that will be displayed in the classroom. Please save the date for our annual Pot Luck/Curriculum Night on October 1st. Thank you all for your continued cooperation and support!! As always, please feel free to speak with any one of us pertaining to any suggestions and/or concerns!

Tiffany, Judith and Tracey
